

# Call for Student Research Posters

## 2023 State Conference

## Call for Student Research Posters

The California Association of Environmental Professionals (AEP) invites undergraduate and graduate students to submit one paragraph abstract/proposals for the student research poster session that will be on display during the **AEP State Conference April 23<sup>rd</sup>-26<sup>th</sup>, 2023 at the Resort at Squaw Creek, Lake Tahoe, CA.** Posters that address environmental science, policy, and technical expertise related to our “Mountain Vibes and Lake Blues” conference theme are encouraged. Suggested topics include, but are not limited to:

- CEQA/NEPA Review
- Relationship Between CEQA and Planning
- Technical Analysis in Environmental Planning
- Land Use and Management
- Transportation Planning/Policy
- Water Supply/Drought Management
- Climate Change Adaptation
- Shoreline Issues/Policy

Abstracts should include author names and affiliations, a title, and should briefly summarize the objectives, results, and importance of the research in 250 words or less. Please email your abstract to: Jacqueline Markley at [Jacqueline.Markley@swca.com](mailto:Jacqueline.Markley@swca.com) no later than Friday, March 3, 2023.

Poster dimensions should be a maximum of 3 feet by 4 feet.

The Posters will be displayed at the conference on April 23, 2023. Please print the poster on light-grained paper (no cardboard) and **attach to poster board to be easily displayed.** Posters must be brought to the conference registration desk no later than Sunday, April 23, 2023. By 12 pm. Posters will be judged during the conference and awarded on April 24, 2023. **A prize of \$500 will be awarded for the best poster.** If you have any questions please contact Candace Bynder, Conference Student Coordinator, at [membership@califaep.org](mailto:membership@califaep.org)
