RE: SOQ for Environmental Professional Services for Department of Parks and Recreation OHMVR Division

The **Department of Parks and Recreation Off-Highway Motor Vehicle Recreation Division** is soliciting **Statements of Qualifications (SOQs)** from qualified firms to provide **environmental professional services** in support of upcoming projects. Services may include, but are not limited to: environmental review, provide regulatory support consulting services and will provide specialized environmental/biological monitors. This may include but not limited to compliance with California Environmental Quality Act (CEQA), compliance with National Environmental Policy Act (NEPA), compliance with the California and Federal Endangered Species Acts, development of regulations for the Grants and Cooperative Agreements Program, site visits as needed and compliance with other statutes as they relate to programs administered by the OHMVR Division.

Interested firms are invited to submit an SOQ demonstrating their experience, technical expertise, project approach, key personnel, and past performance on comparable assignments. Submittals should clearly outline the firm's capabilities and capacity to perform environmental services in accordance with the detailed Statement of Work.

SOQs must be received by **Thursday, May 7, 2026 via electronic submission.**
