

2023 CEQA Essentials Workshop

An Introduction & Intermediate-Level Training Workshop

The Association of Environmental Professionals (AEP) invites you to register for the CEQA Essentials Workshop. This workshop provides a basic understanding of the fundamentals of the California Environmental Quality Act and the State Guidelines, and includes intermediate-level practice pointers and case studies. This workshop features a curriculum developed specifically for people involved in the environmental review process, including consultants, regulators, applicants, or industry professionals, and will benefit those new to the field as well as mid-level practicing professionals. AICP & MCLE credited.

Topics will include:

- Context and Legislative Intent
- Guiding Principles and the CEQA Process
- How to Prepare Effective Project Descriptions and Initial Studies
- Preparing NDs, MNDs and EIRs
- NEPA vs. CEQA
- Special Topics and Staying Current
