

2023 Summer Fellowship

**CALIFORNIA CLIMATE
ACTION CORPS**

Applications accepted until filled - apply TODAY!

California Climate Action Corps, the first state-level corps of its kind, is led by California Volunteers and implemented by Bay Area Community Resources. The program is dedicated to advancing climate actions that engage community members, cultivate change, and leave a lasting impact.

This summer, 80 Fellows will serve with public agencies, tribes, nonprofits, and schools throughout the state to engage communities in climate action.

GOT 2 MONTHS? Join us for a summer of AmeriCorps service!

Volunteer Engagement

Mobilize communities by organizing volunteer opportunities for local climate action.

Climate Action & Education

Educate communities and support climate action projects in urban greening, organic waste & edible food recovery, and wildfire resiliency.

Learning & Mentorship

Receive training and mentorship from climate professionals.
